The Property

This spacious (circa 2000sq ft) three double bedroom penthouse apartment occupies the second floor of this magnificent and imposing late Georgian mansion in the heart of the popular yet secluded Leigh Woods.

The kitchen itself is beautifully finished and offers a large range of storage in white gloss base units which also incorporates a range of integrated appliances such as, dishwasher, fridge, freezer and microwave.

Another feature of this outstanding apartment is its superb drawing room with exceptional views, exposed brick fireplace and vaulted ceilings.

The spacious master bedroom benefits from an en suite shower room and walk in wardrobe. The dual aspect not only fills the room with light but in addition, boasts superbe views including the iconic and world renowned Clifton Suspension Bridge.

There are a further two double bedrooms which are impressively well proportioned as well as a luxurious family bathroom with its feature free standing bath and exposed brick work.

It is important to note that a maintenance terrace above the apartment enjoys far reaching views with access from the main hallway.

Externally, parking is available on a first come first serve basis.
