Location

Reputed to be the longest crescent in Europe, Royal York Crescent is certainly one of the most impressive terraces in the West Country, let alone Clifton and extends from Regent Street, with its range of independent retailers and restaurants to Sion Hill with the famous Avon Gorge Hotel. The eclectic range of boutiques, wine bars, restaurants and shops of Clifton village are within a few minutes' walk whilst the Downs with its acres of open land together with the spectacular Clifton Suspension Bridge is easily accessible. The business, educational and shopping facilities of the City Centre are also within one mile.

Clifton Village is one of the most unique and sought after locations in the City. From its very early days as a Spa destination to the later Georgians and Victorians Clifton offers charm at every turn from the fine sweep of Royal York Crescent to the grandeur of Victoria Square. At its heart lies the picturesque "Village" offering an eclectic range of independent shops, boutiques, cafes, bars and restaurants including Cote, The Ivy and the Avon Gorge Hotel. The Downs offers four hundred acres of green public space whilst Brunel's Clifton Suspension Bridge provides a gateway to the Ashton Court Estate with its woodlands, mountain bike trails and walks whilst there is excellent access to the exciting Harbourside district, the City Centre and Temple Meads.
