#### The Property

This wonderful flat occupies the entire hall floor of this well maintained Georgian terraced building. Richmond Terrace is situated in a very desirable Clifton location and surrounds the beautifully cared for private gardens providing access exclusively to its residents.

Upon entrance to the property, initially a hallway greets you and then flows in two separate directions. At the front of the property there is a superb reception room, featuring quintessential elements you would expect of the era, large sash windows, ornate covings, and grand tall ceilings. All with the bonus of a functioning log burner bringing a sense of cosiness to the room.

On the opposite side of the property, an attractive kitchen has been thoughtfully implemented. It consists of tiled flooring, wall and base units and solid wooden worktops. Integrated appliances include a washing machine and dishwasher as well as the oven/gas hob. A key feature of the kitchen is a large floor to ceiling original sash window flooding the space with natural light and pleasant views of the communal gardens.

Leading through the property accommodation provides a large principal bedroom with space for a king size bed and ample room for wardrobes, side tables and seating which can peer out of the sizeable windows and of the naturalistic greenery on offer. Adjacent to the bedroom is a bright and airy 3-piece bathroom with a shower over the bathtub.

Additional benefits of the property are two handy cupboards located within the hallway, perfect for extra storage.

Outside the property, accessed via a coded gate are the communal gardens which provide exclusive access for only the Richmond Terrace residents to enjoy.

Within the gardens there are mature planters, flower beds, outdoor seating and even vegetable beds for growing various fruit and veg of your choosing.
