The Property

Set on the desirable Whatley Road, just off St John's Road side, this beautifully presented first floor apartment offers more space than most, effortlessly blending charming period character with practical modern living.

Step inside to discover a wonderfully light and airy reception room at the front of the property, where large sash windows—accented with exquisite coloured stained glass—bathe the room in natural light. Ornate cornicing, a classic dado rail, and a striking cast iron fireplace with marble surround add an elegant touch, while the generous layout easily accommodates both a comfortable lounge and dining area.

Adjacent to the reception room, the separate kitchen is equally well-appointed, featuring sleek white gloss cabinetry, light brown worktops, and a full range of integrated appliances including a gas hob, electric oven, extractor fan, fridge freezer, washing machine, and dishwasher—making this a space as practical as it is stylish.

The apartment offers three well-proportioned double bedrooms. The principal and second bedrooms are peacefully positioned at the rear, offering a quiet retreat from the vibrant local scene. The main bedroom also benefits from another beautiful cast iron fireplace with marble surround, adding warmth and character. The third bedroom sits to the side and includes a convenient adjoining storage room, ideal for use as a walk-in wardrobe or additional workspace.

A smartly finished bathroom, complete with a white three-piece suite and shower over the bath, also enjoys natural light through its own window.

High ceilings, period features, and a superb location combine to make this apartment a standout opportunity in one of Clifton's most desirable pockets.
