The Property

A well presented 1930's property with a circa 100ft Garden and exceptional views overlooking the colourful scenery of Bristol and the famous Clifton suspension bridge.

This 3-bedroom semi-detached property has been well maintained by its current owners and updated over the years, they take pride in the generous garden and the extensive decked/landscaped area that has been installed.

As you initially enter the property you are welcomed via a porch/entrance hallway, decorative features such as the traditional stained-glass windows are noticed upon first glance. Downstairs consists of a bright and well-proportioned living room that benefits from a bay window, then towards the rear is an open plan kitchen/dining room. The modern and neutral kitchen is fitted with oven, gas hob and dishwasher with space for a freestanding fridge/freezer.

Upstairs the accommodation offers three bedrooms, the master comfortably fits a double bed, includes integrated wardrobes, and has space for a dressing table - A notable bonus of the room is the spectacular views spanning across Bristol. Furthermore, there is an additional double bedroom with integrated wardrobes and the 3rd room which provides a great office space or single bedroom. On this floor also is a 3-piece family bathroom with shower over the bath and tiled walls.

Outside the rear garden stretches an impressive circa 100 ft in length, rare for the location and being so close to the city centre. The current owners have landscaped and installed decking throughout the first portion followed by a finely lawned and maintained area beyond.

Accessed via the rear garden is a separate door to a basement level which is excellent for additional storage and has electricity points.
