To the front of the property is a large reception room and bedroom two, both with featured fireplaces and original hardwood flooring throughout, in addition to original sash windows.

Inside the kitchen you have an array of pantry cupboards and a well-positioned skylight window.

The Study and the two additional bedrooms complete the accommodation. The spacious master bedroom offers bounds of space and benefits from outlooks on the large, matured garden which belongs to the property. The bedroom adjacent with its traditional lead lined windows gives the room an elegant touch.

A tiled family size bathroom with side window completes the accommodation.

The property benefits further from a large first floor private terrace and generous west facing rear garden.

Gardens of this size and orientation are rare to the market in Clifton, meaning there is a great opportunity to create a beautifully designed outdoor space.

This is a fantastic opportunity to acquire a sizeable property in a very desirable part of Clifton with the possibility of putting your own stamp to create a wonderful home.
