The Property

This spacious flat is located on the first floor of this stunning Grade II listed period town house on Clifton Village's iconic Gloucester Row within a moments walk from the village itself, green open spaces and Brunel's world renowned Clifton Suspension Bridge.

The striking reception room oozes period details such as ornate ceiling rose, intricate cornice, typically high ceilings, feature pillars and working shutters and is the main focal point of the property. Dominating the room and providing plenty of natural light, there is a large sash window to the front which provides access to a private roof terrace as well as offering fine views over the green opposite and towards the suspension bridge.

There is a well equipped kitchen with a range of solid oak shaker style wall and base units with a earthstone worktop and tiled surrounds, stainless steel sink with mixer tap over, plumbing for dish washer and a range of integrated appliances including electric hob, oven with extractor over, fridge and washing machine.

Both bedrooms benefit from a feature box bay window to the rear and a well finished bathroom, with mains fed shower over, basin and WC complete the accommodation.

Location

Clifton Village is one of the most unique and sought after locations in the City. From its very early days as a Spa destination to the later Georgian and Victorian influences Clifton offers charm at every turn from the fine sweep of Royal York Crescent to the grandeur of Victoria Square. At its heart lies the picturesque "Village" offering an eclectic range of independent shops, boutiques, cafes, bars and restaurants including Cote, The Ivy and the Avon Gorge Hotel. The Downs offers four hundred acres of green public space whilst Brunel's Clifton Suspension Bridge provides a gateway to the Ashton Court Estate with its woodlands, mountain bike trails and walks whilst there is excellent access to the exciting Harbourside district, the City Centre and Temple Meads.
