The living space is a good size and well-proportioned with a cosy and homely feel thanks to the decor and sloping ceilings. There is a double glazed window set in a small dormer which provides pleasant views out over the surrounding properties.

Adjacent, there is a separate kitchen which has been cleverly thought out, taking full advantage of the space available in the eaves. In addition, there are further base units with laminated work surfaces, gas hob, electric oven, stainless steel sink and drainer with mixer tap over, tiled splash backs and plumbing for washing machine.

A generous double bedroom benefits from impressive views from the rear of the building and the modern shower room has recently been finished complete with large walk in shower cubicle, tiled surrounds and floor, basin and WC.

Clifton and the surrounding areas, with its Victorian and Georgian architecture, are amongst the most sought after locations in the City. The area offers charm alongside excellent amenities with independent shops, boutiques, cafes, bars and restaurants to be found on both Whiteladies Road and Clifton Village including Clifton Down shopping Centre.
