The Property

In the heart of St. George stands the former 19th-century Boot Factory, beautifully converted in 2019. This historic building has been sympathetically renovated to a high standard, retaining many original features such as its two-toned brick façade, warehouse windows, and wrought iron staircases and gangways.

Accessed via its own front door on the first floor of the original building, the maisonette opens into a spacious open-plan kitchen and reception room, along with a separate cloakroom. The well-appointed kitchen offers ample storage with floor and wall units and comes fully equipped for all your culinary and entertaining needs.

The living area is bathed in natural light from the feature warehouse-style windows, providing a perfect space for both entertaining and relaxing.

Also on the first floor, you'll find a bright and spacious bedroom with built-in wardrobes and wooden paneling. The airy bathroom features contemporary tiles and a sleek three-piece white suite, completing this charming property.

The Location

St George is a vibrant and diverse area located in East Bristol close to the City Centre. One of the main advantages of living in St George is its proximity to St George's Park, a beautiful green with a range of facilities, including tennis courts, a children's playground, and a boating lake. St George is also home to a thriving high street, Church Road, which offers a fantastic range of independent shops, cafes, and restaurants, as well as several supermarkets. The area has a strong sense of community, with regular local events and festivals whilst all the amenities of Bristol City centre are nearby.
