### The Property

This property provides a fantastic opportunity to renovate and refurbish into a substantial family home. Alternatively, it holds potential to develop side plot subject to planning consents.

The circa 1930's semi-detached house benefits from a full width rear extension, providing a large ground floor level with two spacious reception rooms and a generous kitchen. In need of updating, the property could offer a desirable open plan layout that faces out on to the rear garden.

Upstairs, the accommodation consists of two double bedrooms and single bedroom or ideal home office. Furthermore, there is a family bathroom with a seperate WC room.

Outside there is a driveway that could fit two cars, a separate garage with rear access, and a wrap around garden that extends 60ft in length with a shed, greenhouse & small summerhouse.

### Location

With fine views stretching over the green fields of Fonthill Park and the local sports ground, the property is situated within close proximity of major employers such as Airbus, Cribbs Causeway & Southmead Hospital. The vibrant Gloucester road is within reaching distance just a 5-minute drive or a short walk where various amenities, cafes, bars and independent shops are located.
