#### Location

Once a busy dock where sailors and merchants would trade goods and set sail for voyages of discovery, Bristol's Harbourside has undergone a huge transformation and is now an attractive, modern development with excellent amenities and access to the rest of the City. The area is alive with the buzz of Sunday markets, waterside restaurants and bars and a whole host of sports and activities including yachting, paddle boarding, and rowing. Millennium Square acts as a central hub, with its fountains and big screen as well as world class attractions such as Brunel's SS Great Britain, We The Curious, Bristol Aquarium, the Arncliffe, Spike Island, the Watershed and the M Shed.

Hotwells with its charming mix of architecture from George Tully's Dowry Square dating from 1720 to the maritime influence of the nearby Harbourside district, Hotwells is amongst the most sought after locations in the City. Excellent amenities with independent shops, boutiques, cafes, bars and restaurants can be found in nearby Clifton Village, Whiteladies Road and the Triangle. Brunel's Clifton Suspension Bridge provides a gateway to the Ashton Court Estate with its woodlands, mountain bike trails and walks whilst there is excellent access to the exciting Harbourside district, The City Centre and Temple Meads.
