Location - Harbourside

Invicta is an impressive landmark development situated right on the Harbours edge and amongst the huge variety of bars, restaurants and leisure activities that can be found around one of Bristol's most attractive and popular places to be.

Once a busy dock where sailors and merchants would trade goods and set sail for voyages of discovery, Bristol's Harbourside has undergone a huge transformation and is now an attractive, modern development with excellent amenities and access to the rest of the City. The area is alive with the buzz of Sunday markets, waterside restaurants and bars and a whole host of sports and activities including yachting, paddle boarding, and rowing. Millennium Square acts as a central hub, with its fountains and big screen as well as world class attractions such as Brunel's SS Great Britain, We The Curious, Bristol Aquarium, the Arnolfini, Spike Island, the Watershed and the M Shed.
