The Property

This one-bedroom flat is situated just a short walk from Whiteladies Road & the Clifton Triangle. It offers vast potential to improve and potentially reconfigure the current layout.

The Flat is located on the ground floor of an attractive period building along the terraces of Frederick Place.

As you enter the property you are welcomed by the entrance hallway which leads to the reception room positioned at the front of the building. The room features a large shutter window, allowing bounds of light within and benefits from high ceilings.

Set further back from the living space is a sizable bedroom currently in use with a king size bed & includes built in wardrobes with additional cupboard space above.

At the rear of the property, you have the kitchen fitted with base unit storage, built in fridge/freezer, oven and gas hob. In the Adjacent room is a 3-piece bathroom with a shower over the bath and tiled throughout.

This flat presents a fantastic opportunity to first-time buyer or investors alike, it hosts the possibility to refurbish certain rooms and modify the layout to enhance the kitchen size, we highly recommend viewing.
