The Property

A truly unique standalone hidden gem, located in a quiet pocket of Hotwells within easy reach of the Harbourside and Clifton Village.

With a curved rendered wall adorned with a number of Gothic style period sash windows, masonry and doors, the property is instantly recognisable and intriguingly eye catching.

Access is via an attractive, walled courtyard through an arched gate which provides a private entertaining space or peaceful area to relax or dine.

The living space is a generous room with attractive period sash windows lining the curved wall. A well equipped kitchen occupies its own space and comes complete with a range of shaker style wall and base units, laminated work surfaces with ceramic sink and drainer, electric hob and oven, extractor as well as integrated fridge freezer and dishwasher.

The good sized master bedroom benefits from a pleasant outlook as well as direct access to the courtyard via arched French door and a shower room is located adjacent, with large walk in shower cubicle, basin and low level WC. Downstairs, there is another good double bedroom with en-suite bathroom as well as access to the large cellar space with an impressive sky lantern providing plenty of natural light. Subject to the relevant consents, the basement room could be converted into an additional habitable space.

Roof Work

It has come to our attention that the roof will require a certain amount of maintenance at some stage in the near future.

Please refer to Hollis Morgan for further details.
