A characterful apartment set on the first floor of this Gothic style former church hall which was converted into a number of apartments in the late 80's.

The living space is located at the rear of the building and, via a unique 'diamond window', enjoys a pleasant outlook over the immaculately presented church gardens which residents of the block have quiet enjoyment of.

Adjacent there is a separate kitchen which provides a good amount of cupboard and worktop space along with gas hob with extractor over and oven, a stainless steel sink, integrated dishwasher and plumbing for washing machine.

The bedroom is a good sized space and also has the added benefit of a large built in wardrobe / cupboard.

Finally there is a surprisingly spacious bathroom which offers a mains fed shower over bath, basin, WC as well as a separate storage cupboard.

In addition there is another cupboard off the hallway and the residents of the building have quiet enjoyment and access to the church gardens.
