LOCATION

The village of Chew Magna has an excellent range of local shops including a general store, a coffee shop, a deli, a post office, gift shops, and pharmacy. There are also three public houses nearby all of which are very popular eating pubs and a well thought of seafood restaurant. The village's situation in the Chew Valley offers commuters excellent access to the regional centre of Bristol which is 8 miles to the north and the Heritage

City of Bath which is 14 miles is to the east. The Cathedral City of Wells, which offers further facilities, is 14 miles to the south. The Chew Valley and Blagdon lakes are close by, notable for their fishing, birdlife, sailing and nature study amenities. A visit to Salt and Malt at Chew Valley Lake is highly recommended, as this modern tearoom/fish and chip restaurant is owned by the same family as The Pony and Trap. The Mendip hills, well known for their limestone features, provide a wide range of informal leisure opportunities

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1,500 + VAT (£1,800 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
