RENTAL APPRAISAL

22 Crossley Close, Winterbourne, BS36 1PR.

Having reviewed the property particulars, I believe it presents a solid investment opportunity, particularly for the professional/sharers rental market in the Bristol area. Based on current demand and comparable properties, I would anticipate a rental income in the range of £1,000–£1,200 per calendar month, subject to the property being presented to a good standard. From a lettings perspective, properties in this location tend to perform well with working professionals, offering

consistent demand and strong occupancy levels when marketed correctly.

If you proceed with the purchase, I would be happy to support you with:

- Advice on any improvements to maximise rental value
- Full tenant find and referencing
- Ongoing property management, if required

If you'd like to discuss this in more detail, feel free to call me on 07943 121 307 or email me at lauren.engley@thelettingexperts.co.uk for a no-obligation chat.

I look forward to helping you make the most of this investment opportunity.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1,500 + VAT (£1,800 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
