THE OPPORTUNITY

RESIDENTIAL DEVELOPMENT

The layout of the upper floors will lend itself to the creation of 2 self contained 1 / 2 bedroom flats or a 3 bedroom maisonette with independent access already in place from the front of the property.
Please note we understand no planning of this nature has been previously sought and interested parties will need to make their own investigations.
Subject to gaining the necessary consents.

COMMERCIAL INVESTMENT

If the upper floors were to be converted then the ground floor has scope for an excellent investment with independent ancillary area and bathroom facilities already in place.
We also understand there is a grant scheme in place by Gloucester Council to upgrade and renovate the shop front.

LOCATION

The property is located on the busy and vibrant Northgate Street which offers an array of amenities including high street retailers, convenience stores, cafes and public houses. The Gloucester Quays outlet shopping centre, which is within a short walk of the property, is one of the largest and most ambitious regeneration developments in the UK. Ideally located to serve the M5 corridor from Bristol to Birmingham, it offers a unique architectural waterside setting complemented by designer brand shops, affluent bars and gourmet restaurants.
