THE PROPERTY
A Freehold semi detached stone built period cottage occupying a prominent corner plot moments from the Marina and the Town Centre. The accommodation (1014 Sq Ft) is arranged over three floors having been extended in the 1960's and the layout has changed considerably over the years as we understand the dining room was originally the stable area and the now blocked recess in the reception room was a door to allow the horses in at night! The ground floor is now arranged as a kitchen with adjacent sun room whilst to the other side of the property is the dining room and reception plus a cloakroom. On the first floor are 2 bedrooms and a bathroom plus a 3rd bedroom in the converted attic space. The property occupies a generous corner plot with garden to the side and rear.
Sold with vacant possession.
