THE PROPERTY

A Freehold semi detached family home (1178 Sq Ft) arranged over two floors occupying a prominent corner plot with enclosed side and rear gardens plus garage and parking.

LOCATION

Dormer Road is located within the popular residential suburb of Eastville. Local amenities and services are all within walking distance including Fairfield High School. The M32 Motorway network is approximately one mile away whilst Bristol City Centre is three miles away.

THE OPPORTUNITY

FAMILY HOME FOR UPDATING

The property would now benefit from some basic updating but would make a fine home or investment in this sought after location.

EXTENSION / ATTIC CONVERSION

There is scope (subject to consents) to extend the property at the side and rear and potential attic conversion.

BUILDING PLOT TO SIDE

There is merit in exploring planning consent for an additional dwelling on the side of the property.

FLAT DEVELOPMENT

There is scope to extend to the side for conversion to 4 + flats (subject to consents)

EPC

For full details of the EPC please refer to the online legal pack.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
