THE PROPERTY
Newbridge Towers is an imposing detached Edwardian Freehold property (6314 Sq Ft) dating from approximately 1908 occupying landscaped grounds of circa 0.58 acres.
The plot has 2 sets of vehicular access with ample off street parking & the elevated position has fantastic panoramic views over the Valley.
The accommodation is arranged over four floors and retains a wealth of period features throughout with a full length balcony extending along both sides and the rear elevation and a stunning tower dominating one elevation.
We understand it was originally built as a private residence for a German lord and his English wife and has most recently operated as a care home but is now offered with vacant possession.
