PRE AUCTION OFFERS

On this occasion the vendors will NOT be considering pre auction offers.

THE PROPERTY

Greenwood Cottage is a Freehold detached property (2290 Sq Ft) occupying a stunning elevated position with far reaching views over the Gordano Valley.

The property is located at the end of the exclusive Cadbury Camp Lane West above the sought after village of Tickenham and occupies a mature plot of circa 1 acre.

The original cottage dates from circa 17th century and was extended in the 1960's to create the current accommodation which is arranged over 2 floors.

The grounds include a large detached workshop which has tandem garaging for 4 cars and various outbuildings and stables.

In addition the vendor has purchased and includes in the sale an additional area opposite the property with parking for 2 - 3 cars and scope to landscape and accommodate more vehicles.

Sold with vacant possession.

LOCATION

The village of Tickenham is approximately 10 miles South West of Bristol and about 6.8 miles from the fashionable Clifton Village with a wide array of boutiques, bars and restaurants. Orchard Avenue is a discreet cul-de-sac on a slight incline and thus providing elevated views. The location is highly desirable with good links to Clevedon where there are good primary and secondary state schools whilst The Downs School and Wraxall providing preparatory education and for independents there are a number of notable schools in Bristol. For sporting endeavours there are golf courses available as well as many footpaths and bridle paths available from

the nearby Cadbury Camp Wood and of course the Mendip Hills. Bristol Temple Meads provides a wide schedule of rail services to a number of cities nationwide and for more extensive travel, Bristol Airport provides flights to many European destinations.

THE OPPORTUNITY

SCOPE FOR STUNNING FAMILY HOME SET IN MATURE GARDENS

The property offers huge potential to either demolish and erect a new build or extend and renovate the existing property to create a large family home with fine views over the Valley in this exceptionally popular residential location where similar completed properties sell for in excess of £1.5m in nearby Cadbury Camp Lane.

We are informed no planning has been previously sought but buyers must make their own investigations. We understand there is scope for a replacement dwelling up to 50% larger in volume / footprint than the original property – see planning policy DM44 on the North Somerset planning portal.

For ease – page 102 via the link below.

CONVERSION OF GARAGE BLOCK

The large garage block faces South and has scope for conversion to a home office or annexe (subject to consents)

POSSIBLE SECOND DWELLING

There is secondary established vehicular access at the far end of the site which may provide scope for a second dwelling on the plot subject to consents.

STANDARD AUCTION INFORMATION

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the

reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

Some vendors are willing to consider offers prior to the auction.

In the event of an offer being accepted the property will only be removed from the online auction and viewings stopped once contracts have successfully EXCHANGED subject to the standard auction terms and payment of the buyer's premium (£1000 + VAT) to Hollis Morgan.
