LIVE ONLINE AUCTIONS

WELCOME TO HOLLIS MORGAN LIVE ONLINE AUCTIONS

Could have meant dramatic adjustments to our working practices, formats for our large public Auctions or have adopted by launching a monthly Live Online Auction service – an interactive platform for Buying & Selling all types of land and property.

A Live online auction has all the benefits of a traditional auction such as speed and transparency but with the advantage of being able to bid from anywhere with the auction contained here on the Hollis Morgan website and the option to bid by telephone, proxy or online.

In 2008 we sold nearly 150 lots by this updated method – we have embraced this change and since January with our 2011 live online extension of sales confident we can provide the best service for our clients.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 +
VAT (£1,200 inc VAT) buyer's premium which is ALWAYS
payable upon exchange of contracts whether the sale is
concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable
price at auction. The guide price or range of guide prices
is given to assist consumers in deciding whether or not
to pursue a purchase. It is usual, but not always the
case, that a provisional reserve range is agreed between
the seller and the auctioneer at the start of marketing. As
the reserve is not fixed at this stage and can be adjusted
by the seller at any time up to the day of the auction in
the light of interest shown during the marketing period, a
guide price is issued. This guide price can be shown in
the form of a minimum and maximum price range within
which an acceptable sale price (reserve) would fall, or
as a single price figure within 10% of which the

minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
