Sea Mills is a very popular location in Bristol offering a mix of suburban convenience with open green spaces.

The surrounding woodlands and green open spaces of the Blaise Castle Estate give way to the rolling greens of Shirehampton golf course. From dog walking, horse

riding, childrens' playgrounds and golf, the area provides leisure opportunities for all ages on the doorstep. A short drive away the village of Westbury on Trym provides plentiful shopping as do Shirehampton and Sea Mills. The Mall and Cribbs Causeway is a mere 10 minutes away by car, offering everything from health and beauty to high fashion and Cinema Vue and lots of parking. Nearby the popular Red Bus Nursery, offers childcare opportunities for busy working parents whilst for older offspring, Bristol provides a choice of schooling in both the private and LA sectors. The motorway network is but a short drive away, accessing M4 and M5 motorways, whilst Bristol is close enough to enjoy and far enough away to escape to the peace and tranquility of your home.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

The registration process is extremely simple – visit the Hollis Morgan auction website and click on the “Register to Bid” button.
