## THE PROPERTY

A Freehold semi detached property ( 1288 Sq Ft ) that has been previously extended to provide accommodation over two floors including four first floor bedrooms and most recently used as a 6 Bedroom / 4 Bath HMO with large rear garden and off street parking to the front.

Sold with vacant possession.

## LOCATION

Frenchay has thriving local community, based around the Village Hall, with a wide range of clubs, societies and is just half a mile from J1 of the M32 link road into Bristol, with the city centre just 5 miles away. The University of the West of England Campus ( UWE ) and a wide range of large employers are all within a few minutes drive. The M4 is just one junction up in the other direction

offering links across the South of England and South Wales. Bristol is made for retail therapy, with a mix of modern town centre shopping malls, out of town shopping centres and a fascinating selection of unusual independent shops around the historic harbour.

## THE OPPORTUNITY

### STUDENT / PROFESSIONAL HMO INVESTMENT

The property has previously been let on a 6 bedroom HMO investment but is now offered with vacant possession.

### FAMILY HOME

There is potential for a fine family home with large rear garden and off street parking.

The property would benefit from basic updating and rearranging the ground floor layout.

Subject to consents.

## EPC

For full details of the EPC please refer to the online legal pack.

## BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

## GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

## RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

## REGISTRATION PROCESS

The registration process is extremely simple – visit the Hollis Morgan auction website and click on the “Register to Bid” button.
