Within Cheddar there is a three-tier school system where children up to the age of nine will attend the first school (www.cheddarfirst.uk.org), before moving on to Fairlands Middle School (and on to Kings of Wessex Community School (Independent schools nearby are Sidcot, Wells Cathedral School and Millfield. THE OPPORTUNITY

HOLIDAY LET / BOTHY STYLE DWELLING

The vendors sought pre app advice from the local authority for conversion to a Bothy style holiday let for use by tourists walking and climbing in the Gorge. A full copy of the Pre App can be downloaded with the online legal pack but the salient point being;

Whilst the principle may be acceptable, this will be dependent on the application sufficiently demonstrating that a high quality tourism unit can be delivered and indeed would be viable in such a small storage building.

However the full planning application was subsequently withdrawn by the vendor following feedback that there were insufficient information provided for it to be granted. A copy of this correspondence can be downloaded in the online legal pack.

STORAGE / OTHER

An extremely useful Freehold barn for storage or other uses subject to consents.

STANDARD AUCTION INFORMATION

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable

price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
