THE PROPERTY

A Freehold detached commercial property (1364 Sq Ft) occupying a unique maritime position on the Pump Square in Pill overlooking the River Avon with views towards the Bristol Channel and across to Shirehampton. The property is offered with vacant possession but has most recently been used as the clubhouse for Portishead Cruising Club, an RYA affiliated sailing club for racing & cruising yachts. The accommodation has its primary entrance at ground floor level with a secondary fire escape direct to the first floor. The accommodation comprises bathrooms and ancillary space on the ground floor whilst the first floor is a large open plan bar / function room with fitted bar and kitchen area.
Please note the title plan will effectively include the footprint of the building and will exclude the cobbled accessway to the slipway and the slipway, both of which will be retained by Portishead Cruising Club – please refer to online legal pack.
Sold with vacant possession.

Tenure - Freehold
Council Tax - Exempt (commercial)
EPC - C
Utilities, Rights & Restrictions - Please refer to the Legal Pack
Flood Risk - Please refer to the Legal Pack

THE OPPORTUNITY

FREEHOLD COMMERCIAL OPPORTUNITY

The property has scope for a wide range of commercial opportunities not necessarily restricted to maritime pursuits as interested parties should note it is on the Bristol to Portishead cycle track and there is an encouraging amount of passing cyclists and pedestrians.

PLANNING

We understand the property has been used as a clubhouse for the sailing club for over 50 years and benefits from an alcohol premises licence.
Planning was previously granted (24/P/0330/FUL) to remove the restrictions on the property being solely used by Portishead Sailing club.
Please note as part of the consent time and noise restrictions were included but are currently being appealed (we do not foresee a conclusion to this appeal prior to the sale)
Interested parties should make their own enquiries with the Local Authority to establish the suitability of their intended use.
