GUIDE PRICE

REGISTRATION PROCESS

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

The registration process is extremely simple – visit the Hollis Morgan auction website and click on the "Register to Bid" button.

The "Register to Bid" button can be found on the auction home page or on the individual lot listings.

Please note this function is not available on Rightmove or Zoopla.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up

Stage 1 – Complete the Online Bidding Form

Stage 2 – Upload your certified ID

Stage 3 – Invitation to bid

Stage 4 – Pay your security deposit (£6,200)

You are now ready to bid – Good luck!

If your bid is successful, the balance of the deposit monies must be transferred to our client account within 24 hours of the auction sale.
