THE PROPERTY

A Freehold detached property with spacious accommodation (6090 Sq Ft) arranged over two floors set within large mature grounds located at the end of a quiet cul de sac.

The property is approached via a sweeping driveway and is approximately 25 years old having operated as a care home (C2 Use) comprising 12 en suite rooms, self contained one bedroom flat and various communal areas and kitchen etc.

Sold with vacant possession.

LOCATION

Easter Compton is a village in the civil parish of Almondsbury, South Gloucestershire, England. It is situated at the bottom of a hill (known as Blackhorse Hill) near Junction 17 of the M5 Motorway on the B4055. The village is only 1.5 miles away from the busy Mall shopping and leisure complex at Cribbs Causeway. There is a pub (The Fox), a post office (open Monday/Wednesday/Friday in the mornings and based in the village hall), Methodist chapel, and a playing field (including skate park). It is served by the church of Compton Greenfield, as well as the chapel in the village. The B4055 road leads to Pilning, Redwick and Severn Beach. The National Cycle Network runs through the village on its way to the Severn Bridge by which it is possible to enter Wales on foot or bicycle. There are

some walks locally which give great views of the surrounding countryside, especially from the top of Spaniorum Hill. Each year in June, the village holds a carnival.

STANDARD AUCTION INFORMATION

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by

the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

REGISTRATION PROCESS

The registration process is extremely simple – visit the Hollis Morgan auction website and click on the “Register to Bid” button.

The “Register to Bid” button can be found on the auction home page or on the individual lot listings.

Please note this function is not available on Rightmove or Zoopla.
