## THE OPPORTUNITY

### FLAT FOR BASIC UPDATING

The flat has been let for many years and now requires basic updating but has scope for a fine home or investment in this incredibly sought after central location.

### SCOPE TO EXTEND LEASE

13.9.21 - We have just received the following update from our clients solicitor on the proposed lease extension and have the following update.

LiveWest are no longer selling the lease subject to the benefit of the lease extension so this process would need to be dealt with completely by the buyer.

They will need to obtain their own legal advice accordingly.

The flat is sold subject to a lease with 57.5 years remaining

### EPC

For full details of the EPC please refer to the online legal pack.

### BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

### GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

### RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide

price and the reserve price can be subject to change up to and including the day of the auction.
