THE PROPERTY

A Freehold commercial property (2998 Sq Ft) with accommodation arranged over two floors occupying a prominent trading position on the popular Wells Road.

Sold with vacant possession.

LOCATION

The property is situated on the busy Wells Road within the popular suburb of Knowle. Local amenities and services are all within close proximity whilst Bristol Temple Meads is less than a mile away and provides direct rail routes in and out the City.

Bristol City Centre is approximately two miles away.

THE OPPORTUNITY

RESIDENTIAL DEVELOPMENT

The property is sold with vacant possession and now offers the opportunity for residential development whilst retaining a commercial element.

The rear of the ground floor and upper floors are ripe for conversion to residential flats and there may also be scope to extend the first floor accommodation out over the flat roof area.

We are not aware of any previous planning applications y and all suggested schemes are subject to gaining the necessary consents.

COMMERCIAL INVESTMENT

The property is now vacant but was previously let for £22,000 per annum and would suit a wide range of occupiers.

We understand the current usage class is A1 or A2

EPC

For full details of the EPC please refer to the online legal pack.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
