THE OPPORTUNITY

MIXED USE FOR MODERNISATION

The property now requires complete modernisation with huge scope for a range of commercial and residential developments. The vendors have prepared some preliminary proposals for development but we understand no planning has been sought. Interested parties to make their own investigations - all subject to gaining the necessary consents.

PLANNING AND FURTHER INFORMATION

We understand the commercial areas have been occupied as a shop and as such are within Class E of the current Use Classes Order, the revised provisions of which came into force on 1st September 2020. As such the property has 'Commercial Business and Service' Use to include retail, financial and professional services, cafes and restaurants, offices, research and development, clinics, health centres and nurseries. The residential areas fall under use class C3 (Dwelling houses).

LOCATION

The property is located along East Reach Road, a busy thoroughfare serving the town for pedestrians and motorists alike. The premise occupies a prominent trading position surrounded by other retailers close to Taunton's town centre. Taunton is the county town of Somerset with a population of approximately 75,000 people, a strong office based economy and a busy town centre, boasting numerous retailers and leisure occupiers, with significant developments to improve the town currently taking place. Taunton provides an extensive range of facilities and also has access to the M5 motorway, there is a main line city rail link which is easily accessible, London Paddington being about 2 hours. The property is also well placed for easy access to the Brewhouse, Somerset County Cricket Ground and St. Marys Church.
