LOCATION

Wrington (is the jewel in the crown of the Wrington Vale and one of the most sought after villages in North Somerset is situated with good access to local amenities and surrounded by beautiful countryside. Picturesque with a lengthy and interesting history, it benefits from facilities usually reserved for a larger town, including two pubs (one with an excellent restaurant), church and a chapel, a primary school (awarded 'Outstanding' by Ofsted), post office, public transport, garage, pharmacy, dentist, coffee shop, grocery shop, off licence/convenience shop and even two florist/gift shops (one in the village centre and one on the outskirts). Secondary schooling is available at nearby Churchill Academy and Sixth Form Centre (also recently awarded 'Outstanding' by Ofsted (with transport for local children provided daily), and which also benefits from a modern sports complex open to the general public. Further schools, both state and private, are at Bristol, Backwell, Wraxall and the Chew Valley. The area around is well known for its beauty and offers a variety of community pursuits. Indeed, riding, walking, fishing, sailing and dry skiing are just some of the activities available within a few miles. The village itself is within commuting distance of Bristol and the seaside town of Weston-super-Mare and there is access to the motorway network at Clevedon (junction 20) and St. Georges (junction 21). There is an international airport at Lutsgate and a mainline railway station at Yatton.

IMPORTANT AUCTION INFORMATION

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

The registration process is extremely simple – visit the Hollis Morgan auction website and click on the “Register to Bid” button.

The “Register to Bid” button can be found on the auction home page or on the individual lot listings.
