THE PROPERTY

A Freehold property (2697 Sq Ft) occupying a prominent mid terraced position in this busy location close to the popular sea front.

The property is sold with vacant possession and has been previously used as a high street bank trading on the ground floor with ancillary accommodation including kitchens and bathrooms on the upper floors with off street parking to the rear.

The property has been stripped of asbestos and is cleared ready for work to commence.

LOCATION

College Street is a prominent high street within the popular seaside town of Burnham On Sea. Local amenities and services are all within close proximity including independent retailers, cafes, bars and restaurants as well the sea front which is a short walk away. Bristol City Centre is approximately 40 miles away and is easily accessible via the M5.

THE OPPORTUNITY

PLANNING GRANTED - RESIDENTIAL DEVELOPMENT

Planning has been granted to convert the upper floors into residential units with access from the rear.

IMPROVEMENT ON CURRENT SCHEME

Buyers may wish to consider a change to the current proposed layout to take advantage of the full width at the front of the property and to move the open plan living accommodation to this space.

Subject to consents.

FURTHER POTENTIAL

Whilst the principle of residential development has been established there may be scope (subject to consents) for a higher density scheme.

The ground floor is likely to have to retain an element of retail but there may be scope to convert the rear section into residential.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in

the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
