There is pedestrian and vehicular access from Long Street and vehicular access with allocated off street parking for 2 cars via Water Street at the rear. Sold with vacant possession.

THE OPPORTUNITY

DEVELOPMENT OPPORTUNITY

The property now requires modernisation but has huge potential for residential development in this sought after central location. We understand planning has been granted for conversion of part of the first floor into 3 self contained residential flats on two separate applications, but understand there is potential for 5 flats.

S.24/2321/P3G | Change of use from class E offices to mixed use Class E and 2 flats (C3 use class).

Flat 1 - 1 Bed | 398 Sq Ft & Flat 2 - 1 Bed | 592 Sq Ft

S.24/2320/P3G | Change of use from class E offices to mixed use Class E and 1 flat (C3 use class).

Flat 3 - 1 Bed | 527 Sq Ft

There is scope for additional units on both the ground floor and top floor for further development subject to gaining the additional necessary consents.

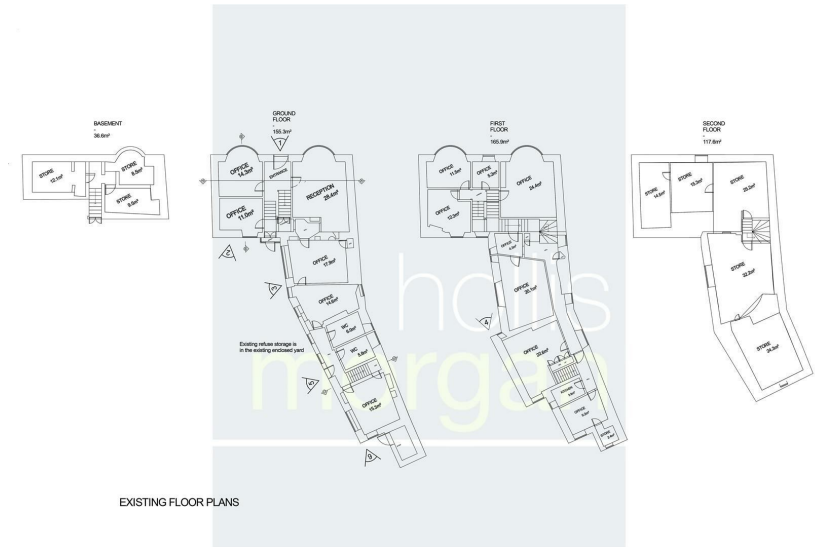

COMMERCIAL USE

The property would suit continued commercial use as offices or similar.

FAMILY HOME

The property has scope for conversion into a charming period family home with courtyard and gardens to rear plus parking.
