THE LAND

A truly unique opportunity to acquire a parcel of land approx. 0.5 acres with road frontage and mature copse to the rear.

We understand the land has been designated as Local Green Space - please refer to local authority for planning history

LOCATION

Nailsea is a suburban town of North Somerset, approximately 8 miles (13 km) southwest of Bristol. The town was an industrial centre based on coal mining in

the 16th century and glass manufacture from 1788, which have now been replaced by service industries. The surrounding North Somerset Levels has wildlife habitats and Bucklands Pool/Backwell Lake is a Local Nature Reserve. The well populated town centre includes two major supermarkets, high street banks, coffee shops and a leisure centre. Nailsea is close to the M5 motorway and Bristol International Airport is 7 miles away by road. Secondary education is provided by Nailsea School (rebuilt as an Academy in 2009), and primary education by St Francis School, Grove School, Kingshill School and Golden Valley. Churches include the 14th-century Holy Trinity Church and Christ Church, which was built in 1843

THE OPPORTUNITY

RECREATIONAL USE

A unique opportunity to purchase a miniature woodland in this sought after residential location.

DEVELOPMENT

The site has previously been subject to a number of planning applications - buyers must make their own inquiries with the local authority North Somerset.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The

reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
