WELCOME TO HOLLIS MORGAN LIVE ONLINE AUCTIONS

LIVE ONLINE

Since 2010 Hollis Morgan has been the most successful and best performing auctioneer across the Region. Known for large public sales, our reputation was built on transparency, competitive bidding leading to more successful results. As a member of CML we have worked in a variety of sales positions, from the purchase of a large business, to the sale of a residential property, to the sale of a large commercial property. We have a proven track record of selling land and property.

As an online auctioneer we offer the benefits of a traditional auction such as open and transparent bids and the advantage of being able to bid from anywhere with the auction streamed live on the mobile device.

We have over 100 live online auctions, and have been named 'Best Online Auctioneer' in the 'Best of the Best' award for 2014. We are proud to be a member of the CML and offer a range of services for our clients.

IMPORTANT AUCTION INFORMATION

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

REGISTRATION PROCESS

The registration process is extremely simple – visit the Hollis Morgan auction website and click on the “Register to Bid” button.

Stage 1 – Complete the Online Bidding Form

Stage 2 – Upload your certified ID
