THE PROPERTY

Kinder Low is a detached 2 / 3 bedroom Freehold bungalow (1308 Sq Ft) occupying a large 0.3 acre mature plot with garage & parking and vehicular access from Station Road.

Sold with vacant possession.

LOCATION

Backwell is a suburban village south west of Bristol, on the A370 to Weston-super-Mare. It includes the hamlets of Backwell Common, Backwell Green and Farleigh. Nearby are Nailsea, Flax Bourton, Yatton, Brockley and

Barrow Gurney. Backwell Lake is next to the road between Nailsea and Backwell and is just north of the railway station. The village has a long history, appearing in the Domesday Book in 1086 with the name 'Bacoile' meaning 'The well back on the hill'. The well is still in existence. Many residents of Backwell commute daily to Bristol by car via the A370, bus or train - the railway station has a direct service to London. Backwell is close to the M5 motorway and Bristol International Airport at Lulsgate is 3 miles (4.8 km) away by road. The airport serves both domestic and international routes, and is one of EasyJet's hub airports. Backwell has excellent junior and secondary schools; the largest junior school is Backwell Church of England Junior School, which is highly praised by Ofsted and performs consistently well in the league tables, and secondary school Backwell School, consistently features high in the league tables for GCSE results, and is recognised as one of the best state schools in North Somerset.

THE OPPORTUNITY

BUNGALOW FOR MODERNISATION

The property is now in need of modernisation but would make a fine home with a huge garden in this sought after location within walking distance of Backwell School.

There is scope to extend the property considerably and potential to convert the attic area with provide further accommodation.

NEW BUILD DEVELOPMENT

There is scope to demolish the existing bungalow and erect a larger single dwelling or two smaller homes. Refer to PPA.

*** All subject to gaining the necessary consents ***

Please note there is Electrical sub Station at the front of the plot closest to Station Road - refer to legal pack.

PROFESSIONAL PLANNING APPRAISAL

Planning Experts Stokes Morgan comment;

The site has the capacity to accommodate either a larger replacement dwelling (two-storey), or perhaps a modest pair of semi-detached properties (again, two-storey). Either scheme would be acceptable in principle in view of the site's location within the defined settlement boundary of Backwell, which is a Service Village where both the adopted Core Strategy and Backwell Neighbourhood Plan support new housing development.

Any scheme proposing a redevelopment to provide a semi-detached pair will need to ensure an appropriate amount of space is retained either side of the pair (i.e.

the houses do not sit too close to the side boundaries) in order to avoid overdevelopment of the plot, and the established front building line should be respected. Sufficient on-site car parking will be required in accordance with adopted policy requirements as well as the ability for cars to turn on-site and egress the accesses in a forward gear, in view of the site's location on a busy road; limited visibility by virtue of topography and existing planting; and the proximity to Backwell School on Meadow Close.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in

the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
