THE PROPERTY

17a Wesley Lane is located at the end of a quiet cul de sac in a mature corner plot with vehicular access via a wide driveway and comprises two distinct dwellings - a detached 3 bedroom house and a charming stone cottage.

House (1114 Sq Ft) - 1950's detached with accommodation arranged over two floors with 3 bedrooms.

Cottage (486 Sq Ft) - Built by William Pow in 1829 and originally a coaching inn, coach house and stable block. The roof still has the original beams and the internal floor has original flagstone floors. It was used as a home from the early 1900s and then as a local Hardware Shop.

In addition there are garages and outbuildings.
All sold with vacant possession.

Tenure - Freehold
Council Tax - Band D

THE OPPORTUNITY

DETACHED HOUSE FOR UPDATING

The property has been a much loved family home but now requires basic updating and has scope to extend and split to form a stunning home or investment with wrap around garden and off street parking. Interested parties should note the house only (excluding the cottage) was previously listed with respected local agents for £500,000

COTTAGE FOR MODERNISATION

The cottage now requires complete modernisation but has scope for a range of residential and commercial uses either in addition to the main house as an annexe / office or to split as separate dwelling. There is potential to create an independent driveway and garden area by creating a new access point to the side of the property.

All above subject to gaining the necessary consents.
