THE OPPORTUNITY

REQUIRES MODERNISATION | REASON FOR SALE

We understand there is severe damp and mould throughout the property due to a historic plumbing leak.
Hollis Morgan have not inspected the property internally and are unable to provide internal viewings or access for surveys due to health and safety issues.
Given the condition of the property, it is only suitable for cash buyers.

A series of complaints regarding rodent infestations & disrepair at the property had resulted in service of Notices by the Authority including a prohibition order preventing habitation until certain works were undertaken. However the owner failed to comply with the Notices and so works were done in default to treat the rodent infestation including clearing the garden, clear & clean the property, and to secure it .
The Authority is now enforcing sale to recoup the cost of these works.

*Please refer to the inspection report in the online legal pack,

FURTHER POTENTIAL

There is scope for off street parking to the front and a rear extension.
Subject to gaining the necessary consents.

CONSTRUCTION

We understand the property is a Hawkesley SGS reinforced concrete framed building, which was improved and repaired to its current brick-skinned condition in around 2000 by Severn Vale Housing.
The vendors are unable to provide a PRC certificate.
Interested parties to make their own investigations.
