THE PROPERTY

On the market for the first time in over 60 years Seaways is a detached bungalow occupying a prime elevated plot on the Western slopes of Walton in Gordano in a secluded and sheltered position with far reaching views over The Bristol Channel, both Severn Crossings and over towards the Brecon Beacons, Black Mountains and Caerphilly.

The plot extends to 0.24 Acres and has vehicular access leading to a double garage plus other outbuildings / workshops / greenhouses.

LOCATION

Walton in Gordano is a secluded and charming hamlet on the outskirts of the popular Victorian Seaside Town of Clevedon (2.8 Miles) with its Grade I listed pier and within easy reach of the M5 and regional motorway network and approximately 10 Miles to Bristol and 3.5 Miles to Portishead.

THE OPPORTUNITY

PRIME DEVELOPMENT OPPORTUNITY

The quality and position of this plot demands redevelopment and subject to gaining the necessary consents the current bungalow could either be modernised and extended or demolished to make way for a feature family home.

We understand that no previous planning has been sought however we would suggest interested parties investigate neighbouring plots many of which have been developed into prime family homes.

EPC

For full details of the EPC please refer to the online legal pack.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £750 + VAT buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in

the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
