THE OPPORTUNITY

FAMILY HOME | BASIC UPDATING | LARGE GARDEN

The property has been a much loved family home for many years and would now benefit from basic updating but has scope to create a fine property with large mature garden in this sought after residential location close to the City.

EXTEND | ATTIC | ANNEX

The plot size allows potential to extend the existing property to both the side and rear and also into the attic.
There may also be scope to create a detached annex / office at the rear of the plot in the footprint of the existing detached garage.

BUILDING PLOT | NEW DWELLING

There is potential to create a new dwelling on the land to the side of the property.
We understand no planning of this nature has been previously sought and interested parties to make their own investigations.

HMO | INVESTMENT

There is scope to extend and convert the property into a 4 - 6 bedroom HMO.

All above subject to gaining the necessary consents.
