THE OPPORTUNITY

FAMILY HOME | UPDATING

The property has been a much loved family home for many years and would now benefit from updating to suit both investors and owner occupiers.
The flexible accommodation and outbuildings offer a wide range of space and storage in this quiet location set back from the road.
Please refer to independent rental appraisal.

LOCATION

The property is located in the Bristol suburb of Patchway, just off the M4/M5 Interchange, offering excellent geographical access to Aztec West and Woodlands business parks, Cribbs Causeway, and the Aerospace Industries. In addition to its prime road links, the property is conveniently positioned near Patchway train station, providing direct rail connections to Bristol Temple Meads (approx. 14 minutes) and Cardiff Central. The property also benefits from its close proximity to the Brabazon development, a major ongoing project transforming the former Filton Airfield. Currently under construction, this new urban quarter is set to further enhance the area with a massive 15-acre public park, a new dedicated railway station, and the much-anticipated YTL Arena Bristol, which is scheduled for completion in 2028
