LOCATION

Backwell is a suburban village south west of Bristol, on the A370 to Weston-super-Mare. It includes the hamlets of Backwell Common, Backwell Green and Farleigh. Nearby are Nailsea, Flax Bourton, Yatton, Brockley and Barrow Gurney. Backwell Lake is next to the road between Nailsea and Backwell and is just north of the railway station. The village has a long history, appearing in the Domesday Book in 1086 with the name 'Bacoile' meaning 'The well back on the hill'. The well is still in existence. Many residents of Backwell commute daily to Bristol by car via the A370, bus or train - the railway station has a direct service to London. Backwell is close to the M5 motorway and Bristol International Airport at Lulsgate is 3 miles (4.8 km) away by road. The airport serves both domestic and international routes, and is one of EasyJet's hub airports. Backwell has excellent junior and secondary schools; the largest junior school is Backwell Church of England Junior School, which is highly praised by Ofsted and performs consistently well in the league tables, and secondary school Backwell School, consistently features high in the league tables for GCSE results, and is recognised as one of the best state schools in North Somerset.

THE OPPORTUNITY

DETACHED HOME - REDUCED PRICE FOR AUCTION

The property was previously marketed by local agents in excess of £400,000 and most recently at £375,000 and is now available at a reduced price for sale by public auction in this highly sought after location close to the local shops and amenities.

EPC

For full details of the EPC please refer to the online legal pack.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in

the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
