THE OPPORTUNITY

MIXED USE FOR MODERNISATION

The property now requires complete modernisation with huge scope for a range of commercial and residential developments. The vendors have prepared some preliminary proposals for development but we understand no planning has been sought. Interested parties to make their own investigations - all subject to gaining the necessary consents.

PLANNING AND FURTHER INFORMATION

We understand the commercial areas have been occupied as a shop and as such are within Class E of the current Use Classes Order, the revised provisions of which came into force on 1st September 2020. As such the property has 'Commercial Business and Service' Use to include retail, financial and professional services, cafes and restaurants, offices, research and development, clinics, health centres and nurseries. The residential areas fall under use class C3 (Dwelling houses).
