IMPORTANT AUCTION INFORMATION

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 +
VAT (£1,200 inc VAT) buyer's premium which is ALWAYS
payable upon exchange of contracts whether the sale is
concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable

price at auction. The guide price or range of guide prices
is given to assist consumers in deciding whether to
pursue a purchase. It is usual, but not always the case,
that a provisional reserve range is agreed between the
seller and the auctioneer at the start of marketing. As the
reserve is not fixed at this stage and can be adjusted by
the seller at any time up to the day of the auction in the
light of interest shown during the marketing period, a
guide price is issued. This guide price can be shown in
the form of a minimum and maximum price range within
which an acceptable sale price (reserve) would fall, or
as a single price figure within 10% of which the
minimum acceptable price (reserve) would fall. A guide
price is different to a reserve price (see separate
definition). Both the guide price and the reserve price
can be subject to change up to and including the day of
the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and
the figure below which the auctioneer cannot sell. The
reserve price is not disclosed and remains confidential
between the seller and the auctioneer. Both the guide
price and the reserve price can be subject to change up
to and including the day of the auction.

Some vendors are willing to consider offers prior to the
auction.

Pre-auction offers can ONLY be submitted by

The form can be found on the Hollis Morgan website on

added.

In the event of an offer being accepted the property will
