RESALE VALUES

Please contact Calum Melhuish, Residential Sales Manager, to discuss the value of this property – calum@hollismorgan.co.uk

Calum Says; “ The market in Southville is extremely buoyant and due to the high demand for this size of property and scarce supply I would suggest that once refurbished to a high standard the resale values in excess of £275,000”

RENTAL APPRAISAL

The local lettings experts say:

The Bristol Residential Letting Co. is confident this property would make a good rental investment. Don McKeever of The Bristol Residential Letting Co suggests

a rent in the region of £950 - £1000pcm will be achievable if refurbished for the professional market. If you would like to discuss more detail on the potential for rental, you can call Don (0117 370 8818) for a no obligation discussion. He will be very happy to advise on maximising the return on this property.

EPC

For full details of the EPC please refer to the online legal pack.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £750 + VAT buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
