LOCATION

Vyvyan Terrace is a fine Grade II* listed terrace (c.1845) with an elegant bath stone façade styled by Richard Shackleton Pope and is an address held in extremely high regard. This is owed to the uniquely convenient proximity to Clifton Village and the breathtaking example of Victorian architecture that forms one of the city's most prized and widely admired terraces. The variety of shops, boutiques and restaurants in Clifton Village are quite literally at the end of the road as well as several bus routes providing easy city centre access. Clifton Downs can be accessed across Christchurch Green (at the end of the road) as can the historic landmark of Isambard Kingdom Brunel's world famous suspension bridge spanning the Avon Gorge (in itself, a designated area of outstanding natural beauty).

THE OPPORTUNITY

Excellent investment or weekday / starter pad in this highly sought after location just minutes from the shops at Clifton Village.

Sold with vacant possession.

RENTAL APPRAISAL

The Local Experts Clifton Rentals say;

A perfectly formed studio apartment located in a beautiful Victorian terrace. The flat could be rearranged and a raised bed could be built in with storage underneath. If these works were undertaken rental income could be £600pcm or £7200 per annum.

If you have any questions or queries regarding this valuation please contact us on 0117 911 3423, 07854367689 or info@clifton-rentals.co.uk

EPC

For full details of the EPC please refer to the online legal pack.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £750 + VAT (£900 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of

marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
