## THE PROPERTY

A classic Freehold semi detached family home occupying an elevated position with accommodation ( 906 Sq Ft ) arranged over two floors offering excellent views from the rear aspect towards Victory Park.

Outside is a large mature rear garden, detached garage and off street parking.

Sold with vacant possession.

## LOCATION

Allison Road is situated in the heart of Brislington, with Bath Road providing access to the city through the south-easterly suburbs. The area is just a short journey from a host of well-regarded schools, shops and amenities of Sandy Park Road, Wells Road, with Paintworks and Avonmeads Retail Park also a short journey. Just a short distance from the house is the Arnos Court Park, which provides a great area for runners and dog-walkers, for those looking for more of an escape from the city, the proximity of the nearby Wells Road allows ease of access to North East Somerset and Chew Valley. For commuters, this area is very well placed, just a short distance from Bristol City Centre and Bristol Temple Meads Station.

## THE OPPORTUNITY

FAMILY HOME FOR BASIC UPDATING

The property has for many years been a much loved home but now requires basic updating and offers scope

to create a fine 3 bedroom family home with gardens and parking in this sought after location.

## VIEWS TO REAR

The elevated position gives the property fine views to the rear and side aspect towards Victory Park and the property could be adapted to take advantage of this feature.

## EXTENSION TO SIDE / REAR / ATTIC

There is huge scope to increase the amount of accommodation by extension to both the side and rear as well as considering an attic conversion.

Buyers may also wish to consider the options for the detached garage.

## RENTAL APPRAISAL

## BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

## GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted

by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

## RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

## SURVEYS AND VALUATIONS

If you would like to arrange a survey or mortgage valuation of this Lot BEFORE the auction please instruct your appointed surveyor to contact Hollis Morgan and we will arrange access for them to inspect the property. Please note that buyers CANNOT attend the surveys and the surveyors are responsible for collecting and returning keys to the Hollis Morgan offices in Clifton.
