WELCOME TO HOLLIS MORGAN LIVE ONLINE AUCTIONS

Live has made dramatic adjustments to our working practices. Thanks for our large public audience, we have adapted by launching a monthly Live Online Auction service - an interactive platform for buying and selling all types of land and property.

A live online auction has all the benefits of a traditional auction such as speed and transparency but with the advantage of being able to bid from anywhere with the auction shown live on the Hollis Morgan website and the option to bid by telephone, print or video.

Since 2020 we have sold nearly 350 lots by this updated method - we have enhanced this change and now forward with our 2022 live online calendar of sales confident we can provide the best service for our clients.

STANDARD AUCTION INFORMATION

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

PRE-AUCTION OFFERS

Some vendors are willing to consider offers prior to the auction.

Pre-auction offers can ONLY be submitted by completing the online PRE-AUCTION OFFER FORM. The form can be found on the Hollis Morgan website on the individual auction property listings – look for the big

red button.

Please note offers will not be considered until you have inspected the COMPLETE LEGAL PACK once it has been released.

There will be a note added to the list to confirm AUCTION PACK NOW COMPLETE when our client's solicitor informs us no further information is due to be added.

In the event of an offer being accepted the property will only be removed from the online auction and viewings stopped once contracts have successfully EXCHANGED subject to the standard auction terms and payment of the buyer's premium (£1000 + VAT) to Hollis Morgan.

Contracts can be exchanged via the solicitors or at the Hollis Morgan offices by appointment only.

REGISTRATION PROCESS

The registration process is extremely simple – visit the Hollis Morgan auction website and click on the "Register to Bid" button.
